

CAR HIRE BUSINESS CLASS

Company profile

Business class carries out a car hire service with driver (NCC) working 365 days a year connecting our passengers with all airports ,railway stations, ports and European cities.

Since our cars are provided of a regular licence they have free access to all limited traffic areas, bus lanes and historical centres this way we are able to offer our clients the best road system to reach their destinations without any limitation.

Business Class car hire with driver provides clients with superior category vehicles equipped with maximum comfort and safety, furthermore our clients have and insurance coverage that adapts to their needs with maximum coverage for them and their luggage .

In the year 2010 **Business Class** has been the official supplier of services for the **House of Chamber of Ascoli Piceno**.

Philosophy

Business Class is oriented towards clients therefore our aim is to ensure a highly qualified professional service , and of quality.

The company's philosophy can be summed up in experience, punctuality, discretion, politeness and professional ethics, values in which the company believes in and will never give up, not even during periods of crisis.
